Trip Conditions and Payment Schedule

This form is provided to you with the following information; inclusions, payment information, cancellation and responsibility clauses. We ask that each person adhere to the payment schedule and be aware of the cancellation information. Any questions or deviations from the payment schedule should be communicated to MTC. You may also send checks directly to our office for payment. If doing so, please reference the above trip number and name of the group. The pricing matrix and proposal itinerary are viewable online once you're registered for the trip. Students will pay the quad rate so long as the rooms are maximized and are rooming with other students. Adults pay based on occupancy.

Periodically throughout the trip preparation process, our finance team will provide your director with the trip sign-up and payment status of all trip participants, as well as reach out via email to travelers whose accounts have fallen behind, and could be subject to being frozen. If this occurs, you'll need to call in to our office to speak with one of our finance members about getting caught up with installments.

Once the rooming list has been provided to MTC, we will then determine your final payment and will provide it to you through email. In addition, it will be posted with your director.

The individual sign-up and pay is a system that MTC provides our clients to help take away the day to day stress from collecting monies and accounting for such. If you have any questions, please feel free to contact me at the office at your convenience. **Finance related questions can be directed to our finance team at accounting@musictravel.com.**

Sincerely,

Chris Forsythe
